

NATIONAL RECRUITING CENTER (NRC)

The Ascent National Recruiting Center (NRC) located in Chico, California supports many of Ascent's large enterprise national accounts. The NRC is staffed by researchers, sourcers and recruiters who dedicate their efforts to supporting specific talent needs in Technology, Business Professional and Life Sciences categories for large Contingent Workforce Programs.

Following are some of the capabilities and services which the NRC offers to Ascent's clients:

1. Dedicated team delivery in support of Enterprise Talent needs.
2. Focused recruiting help for bulk hiring initiatives such as expanded customer service call center needs, helpdesk service needs, intake call center needs.
3. Seasonal hiring initiatives like intern programs and call center expansions that require scalability and responsiveness.

Key Benefits:

Our capability to work on a wider spectrum of skill sets

Vast database of talent and readily available resources

"One Stop" staffing vendor with all recruiting taking place onshore
